About the Club

The Historic Wheels club has been in existence since the mid 1970's. We hold monthly meetings, normally a Friday or a Sunday, at various venues throughout the county. We organise an annual car rally in August each year and all profits go to local Charities.

We are as much a social club as a motor club so the annual subscription covers two adults and any dependants, up to the age of sixteen, meetings are well attended and hopefully of interest to all.

We have a webpage where you can get a better understanding of the club, we update members on a regular basis via e mail and social media (Facebook) And we send a monthly newsletter updating you on local events and club meetings.

Consent to hold personal data

As you may know, the General Data Protection Regulations (GDPR) (Regulation (EU) 2016/679) came into force on 25 May 2018. This means that all UK organisations will need to demonstrate that they have 'opt-in' approval from persons whose personal data they hold. These regulations emanate from the EU and will not be affected by Brexit. To comply with these regulations, we need all members to consent in writing that the Club can use their data to send to you Magazines, Newsletters, subscription reminders, event invitations and similar items relating to the smooth running of the Club.

Please therefore complete the form below.

The Membership Register is securely stored by the Membership Secretary and is not shared with any other organisation. If you have any queries regarding any matter relating to this communication, please contact the Membership Secretary.

Please mark the appropriate boxes, sign and date

Data Protection Policy

Introduction: This policy sets out how the Historic Wheels Club complies with GDPR legislation while achieving our objectives of the club

Data Collected: We collect members' names, addresses, email addresses, and telephone numbers upon joining, and we update the information each time a change is advised by members. Members may also opt to provide the Club information in relation to the cars of members but this is not 'personal' information for the purposes of this policy.

Data Controller: The Club's Membership Secretary collects and maintains members' personal information in her/his capacity as Data Controller.

Data Processors: These are the Committee members of the Club.

Data Use: We use data to send to each member by email or post:

- The Club's Magazine - Wheeltrim
- Ad-hoc Newsletters
- Ad-hoc invitations to and notification of events
- Regular membership renewal notification.
- Provide the SVVF (Scottish Vintage Vehicle Federation) with a list of members names and addresses enabling them to forward copies of the SVVF Year Book.

Data Storage and Retention: The Data Controller holds current records in electronic format on a personal computer. All electronic files containing member's data are password protected. In some cases, paper copies of membership and car register forms are also retained. Records relating to the personal data of those who are no longer members are deleted from any electronic files after one year and paper copies destroyed after six years.

What we DON'T do:

- We do not give or sell personal data to any organisation, company or club.
- We do not pass members' personal details to any other individuals.
- We do not store members' bank, credit card and related financial information.
- We do not make multiple email addresses visible on webmail sent to members.
- We do not make members' details available on the HWC website or social media.

Consent: All current members have been informed of this policy. All future members will be asked upon joining the Club to sign to indicate consent to their details being held and used as described.

Subject Access: We will provide to any members who asks the membership Secretary, the information held about him/her. However, as our members control what personal data is submitted to the Club this may be accessed and edited as when members so wish.
